

SMARTSPORTS 4 GOODLIFE
CLUSTERS ALLIANCE

SAVE THE DATE: 5G WEBINAR

24 November 2020: 10.00-12.00

Would 5G be the next revolution for SME's in sport and leisure industry? How can SMEs take advantage of 5G for their business?

Would 5G be the next revolution for SMEs in sport and leisure industry? Let's talk and exchange about it! 2 hours to be inspired, to share concrete cases and think about opportunities for your business.

What we know is that 5G will have a deep impact on data availability and as a consequence for the market demand. It is time for sport and leisure SMEs to be part of this expected growth and to imagine new products and services for the near future.
